Read the pattern

Uranus and Pluto set the strongest recurring pattern

The tightest calculated pattern describes a recurring tension or capacity rather than a fixed verdict.

You can change direction decisively when the old structure no longer works.

Calculated evidence: Uranus conjunct Pluto · 1.2 deg orb

Your strengths

The strongest capacities in your natal pattern when you use them deliberately.

Uranus and Pluto set the strongest recurring pattern

The tightest calculated pattern describes a recurring tension or capacity rather than a fixed verdict.

Remember: You can change direction decisively when the old structure no longer works. Watch for cutting away before enough information is visible.

Emotionally reserved

You may feel considerably more than you show.

Remember: Emotional steadiness can protect judgment under pressure. Watch for turning restraint into isolation.
